Pahokee Will Send Group To Clewiston

Officers of the Pahokee Chamber of Commerce and the City of Pahokee will attend the dedication ceremonies for the Herbert Hoover Dike of Lake Okeechobee at Clewiston Thursday, Jan. 12. The Chamber made plans to send a motorcade of visitors from this area to the dedication at the January meeting of the board of directors in the Civic Building Tuesday night.

The motorcade will form in front of the chamber's office at 12:30 p. m. and proceed to Clewiston. Those desiring to join the motorcade or in need of transportation to the dedication are asked to contact Mrs. Florrie Nix, the chamber's executive secretary.

It was announced the membership drive for the current year will end Friday when Luke DuFrene, membership chairman, and other directors will make a concerted effort to collect delinquent membership dues.

As a fund-raising project the chamber is selling city name plates for front bumpers of automobile which bear the inscription, "Pahokee—Garden of the Glades." These plates may be obtained at local filling stations or at the chamber office for \$1 each.

Rogers Sworn In For Fourth Term

WASHINGTON, D. C. — Congressman Paul G. Rogers Tuesday was sworn in with other Members of Congress, to begin his fourth term as Representative from Florida's Sixth Congressional District. Rogers won re-election in the November general election by over 50,000 votes. First elected to the 84th Congress in 1955 to succeed his late father, Congressman Dwight L. Rogers, he has been re-elected to the 85th, 86th, and 87th Congresses.

Today's ceremony took place in the House Chamber of the Capitol when all returning and newly elected Members gathered for the first meeting of the new Congress. House Speaker Sam Rayburn of Texas administered the oath of office to all the Members.

Lawrence Will's Book Tells Glades Story Of 1928 Hurricane

If you're interested in reading some real facts about the 1928 hurricane that claimed 2,000 lives in the Lake Okeechobee Region, drop by The Everglades News office in Canal Point and pick up Lawrence E. Will's new book titled "Okeechobee Hurricane and the Hoover Dike." The book is factual and Mr. Will has done an excellent job of producing it. He is a longtime resident of the Glades and was an eye witness to the vast devastation which swept the eastern shore of Lake Okeechobee in 1928.

Lt. David McCoy returned to Fort Belvoir, Va., Tuesday after a holiday visit with his parents, Mr. and Mrs. W. G. McCoy, and other relatives in Pahokee.

Bordeaux Presides At Masonic Meeting

J. H. Bordeaux, new worshipful master of Everglades Lodge 211, F&AM, presided for the first time at the meeting in the Masonic Hall at Pahokee Tuesday night.

Other newly installed officers of the lodge include R. E. Hughes, senior warden; H. H. Sears, junior warden; R. R. Henderson, treasurer; S. J. Baggett, secretary; A. V. Jones, chaplain; M. H. Millar, senior deacon; W. D. Gillis, junior deacon; A. V. Hughes, senior stuart; George Johnson, junior stuart; W. E. McKinstry, tyler; and A. R. Harrington, marshal.

Funeral Services For W. O. Stamps

Funeral services for William Oren Stamps, 55, of Opa Locka, a former resident of Pahokee, were held in the chapel of Fairchild's Funeral Home in Fort Lauderdale Saturday at 2 p. m. Burial was at Fort Lauderdale.

Mr. Stamps died at the Hialeah hospital Thursday morning of last week after a short illness following surgery. An employee of Wometco Trust Co., he had been a resident of Pahokee for six years before moving to Opa Locka five years ago.

Survivors include his wife, Mamie, Opa Locka; three sons, Roy of Fort Lauderdale, Charles of Opa Locka and James of Pompano Beach; two daughters, Mrs. Elsie Enfinger of Opa Locka and Mrs. Virginia McCormick of Fort Lauderdale; his mother, seven sisters, one brother and eight grandchildren.

Five Point Program Outlined For Troop

Mrs. E. C. Johnson, leader of Pahokee Senior Girl Scout Troop 38, at a troop meeting in the Johnson Clinic outlined a five-point program for her Scouts to help them qualify for attendance to the annual Girl Scout Round-Up. The program includes improved camping skills, community service, preparations for emergencies, expansion of Scouting interests and full cooperation with the Palm-Glades Girl Scout Council.

Julia Johnson volunteered to represent the troop on the Senior Scout newspaper. Plans were completed for a court of awards on Jan. 30, according to Elaine Salvatore, troop reporter.

Two New School Board Men On Job

Milton O. Carpenter, Belle Glade and John Remson took their seats as members of the County Board of Public Instruction at the organization meeting of the board Tuesday at 1 p. m. at the school board offices.

Carpenter replaced Henry O. Earwood and Remsen succeeds Jack Horner.

Thurmond W. Knight of Lake Park was elected Chairman for the ensuing year.

Mr. and Mrs. Lovett McCord of Miami were guests last weekend of Mr. and Mrs. A. R. Chastain, in Canal Point.

Hoover Dike To Be Dedicated Jan. 12

CLEWISTON — The State of Florida honors former President Herbert Hoover here, January 12, when the 85 miles of Lake Okeechobee southern levees will be named by Act of Congress, the Hoover Dike.

A memorial has been built on top of the levee here, and dedication of the entire dike and this memorial will be by Chief of Engineers Maj. Gen. E. C. Itschner, representing President Eisenhower.

Now 86, Mr. Hoover will see for the first time the giant levees he was responsible for having constructed by the U. S. Army Corps of Engineers following a visit to the entire area back in 1929. At that time, Hoover, then President elect and an engineer, was inspecting the scenes devastated by the hurricanes of 1926 and 1928.

Elaborate preparations to handle some 10,000 visitors and a large number of national, state and local public officials and businessmen, as well as some 30-40 Florida and out-of-state news, radio and television representatives, have now been completed, it is announced. (Continued on page 4)

School Board Asks Your Suggestion In Picking A Trustee

On Tuesday of this week when Milton Carpenter left his job as school trustee to become an elected member of the Palm Beach county school board a vacancy developed that the school board did not fill. Someone must be appointed to serve as trustee until the next election in 1962.

At the regular meeting of the school board on Tuesday the following three names were suggested for trustee:

Gene Carruthers
Russell Harrington
Dick Parise

The school board was split on the naming of a trustee so the whole matter was postponed for two weeks. In the meantime members of the school board will make an effort to find out just who the folks in the area would like to have for trustee. If you're interested in the naming of a trustee you should make it your business to get in touch with any member of the school board and make your wants known.

Local members of the school board whom you can contact are: Milton Carpenter, Belle Glade; Thurmond Knight, Riviera Beach.

Seed Potatoes Come From Cold Country

Seed potatoes for the Spring crop in the Lake Region have been arriving from N. Dakota, according to Robert Mackey, sales manager for Unity Farms, Inc. Mr. Mackey said yesterday that a truckload of potatoes left that cold country last week when the thermometer stood at 39 BELOW ZERO. A smudge pot was kept burning inside the semi trailer to keep the spuds from freezing until they reached a warmer climate on the trip south.

Revival Planned By Local Baptists

The Canal Point Baptist Church voted in the Monthly Church Business Meeting and Church Conference Wednesday night to plan for a Revival in early April. The Pastor, Charles D. Stewart, was asked to secure a Guest Minister to be the Evangelist.

The Church also voted to ask Walter Cross, a recent resident of Belle Glade but now residing in his home in Canal Point, to serve as a Deacon. Mr. Cross was ordained a Deacon in the Belle Glade Baptist Church and served there for several years.

Local Garden Club Plans Work Days

The Canal Point Garden Club is planning a series of work days for the new year to continue the development of the newly established roadside park that lies between the old and new highways east of town. The Lions Club assisted the group in the clearing of the triangular-shaped plot of unsightly weeds and trash, preparatory for landscaping operations.

The park now has an attractive growth of grass that is being kept neatly mowed and the club is ready to start its plantings of shrubs and other ornamental plants for the beautification of the grounds.

Mrs. M. C. Carter, club president, announces the first work day will be on Thursday, Jan. 12, when club members will assemble at the park at 10 a. m. with spades, trowels and other tools necessary for the planting of the rooted cuttings they have prepared for the park. There will be a sandwich luncheon at noon.

New Water Plant Bryant, Canal Point

CLEWISTON — A new, modern water plant will be built at Bryant, designed to furnish pure fresh water to the \$12-million sugar mill now under construction for the United States Sugar Corporation. The new mill is expected to be ready for operation at the beginning of the 1962 season.

At present the sugar corporation owns and operates a water plant at Canal Point where it serves a small area immediately south of the West Palm Beach Canal and another area north of the canal which furnishes water to both Bryant and Canal Point. With the new plant much greater water service will be needed and the United States Sugar Corporation is preparing to care for the increased need.

Residents of Canal Point will benefit from the new water plant installation.

Mrs. Grace Waldron Has Beauty Shop

Mrs. Grace Waldron is the new operator of the beauty shop next door to the post office in Canal Point. Mrs. Waldron purchased the equipment from Miss Mary Ellen Sims and took over operation of the shop this week. The shop is being newly decorated by Mrs. Waldron and will be ready for business the first of the week.

New Officers Take Court House Jobs

Tuesday, January 2, was a busy day at the Court House in West Palm Beach when several new officers, elected Nov. 8, took up their new duties. Among them was Martin Kellenberger who took over the office of sheriff from John F. Kirk, who had served for 16 years. Sheriff Kellenberger was elected on the Republican ticket in November.

Dan Gorham, another Republican, who defeated the Democratic nominee, Horace Beasley, took over the duties of Supervisor of Registration. Mr. Gorham retained one member of the old Supervisor's staff.

Two Republican County Commissioners, E. F. Van Kessel of Juno and Edward Bandlow of Lake Worth will be seated on the commission next Monday morning at the regular commission meeting. Chairman Paul Rardin will also be sworn in for another four year term as commissioner by Judge Russell O. Morrow.

Paul T. Douglas of Lake Worth was sworn in as County Judge on Tuesday to succeed Judge Richard P. Robbins, who retired after serving 22 years. Edgar Maxwell, Democrat, succeeded Dave Stewart in the Tax Assessor's office.

All offices in the court house were running smoothly Tuesday afternoon when visited by the publisher of this newspaper. He reported calm on every side and work going on as usual.

Blue Devils Play Clewiston Tonite

The Pahokee Blue Devils will play Clewiston High's Tiger basketball squad in the Pahokee gym this Friday night, the preliminary B-team game to get under way at 7:30 p. m.

The Blue Devils were hosts to the Riviera Beach Hornets on the local court Tuesday night in their first game following the Christmas holidays. Coach Bill Howard's men were slow in getting started, tossing only 3 points in the first quarter and 4 in the second, and had trouble guarding the visitor's six foot-six Wayne Hardin, who accounted for 26 of Riviera Beach's 78 points, only one point less than Pahokee's total of 27. Bucky Sanders led the Blue Devils' scoring with 11 points.

Cooperation Galore On Yule Decorations

There has been a lot of favorable comment about the beautiful Christmas tree and other decorations at Everglades Memorial hospital during the Holiday Season. The decorations were outstanding. Mrs. Wheeler Ludlam of the hospital group of employees made all of the decorations from materials which were so generously donated by Annie Merle Carter's Flower Shop in Pahokee.

Nealy Johnson returned Sunday to resume his studies at Georgia Tech, Atlanta, after spending the holidays in Pahokee with his parents, Mr. and Mrs. Alex Johnson, and other relatives.

Hoover Dike To Be

(continued from page 1)
by H. Loy Anderson, general chairman of the State Dike Dedication Committee.

Gov. C. Farris Bryant will be making his first major public appearance at these ceremonies following his January 3 inauguration and will welcome Mr. Hoover back to Lake Okeechobee after 32 years. Senior Sen. Spessard L. Holland, who has devoted much of his public career to furthering water control in Florida, will also be a speaker. President-elect John F. Kennedy will be represented by Sen. George A. Smathers. Congressman Paul G. Rogers, in whose 6th Congressional District, the Dike is located, and other members of Florida's Congressional delegation will also be present, together with a large number of State legislators and local officials from throughout the State.

The Central and Southern Florida Flood Control District will be represented by its governing board, Riley S. Miles, Kissimmee, chairman; David G. Click, Clewiston, vice-chairman; Brian K. McCarty, Ft. Pierce; John M. Fredrick, Homestead; and Curtis B. Barnes, Rockledge. Also present will be the FCD's Executive Director, G. E. Dail, Jr.

It is an interesting historical note that when Mr. Hoover made his 1929 visit to Clewiston, he stayed at what is now the home of FCD Board Member Click.

The program will open with an Invocation by Florida Supreme Court Chief Justice Elwyn Thomas, followed by the National Anthem, sung by Ted Milford, choir director of the Poinciana Chapel in Palm Beach, former leading tenor of the D'Oyley Carte Opera Co. of England.

The welcome by Governor Bryant will follow, and distinguished guests will be introduced by Committee General Chairman Anderson.

The Dike and Memorial will then be dedicated by General Itasca. The memorial, incidentally, is an aluminum plaque let into a stone base on top of a specially built and landscaped addition to the levee with a fine view across the 730 square miles of Lake Okeechobee.

After remarks by Senators Holland and Smathers and Congressman Rogers, will come Mr. Hoover's address. The program will conclude with the presentation of a replica of the memorial by Harold Cole, executive vice-president of the State Chamber of Commerce. A recessional will be played by the bands of Clewiston, Belle Glade and Pahokee, who will also play selections before the opening of the ceremonies.

Former Gov. Doyle E. Carlton will introduce Mr. Hoover. Carlton was Governor in 1929 and escorted Hoover at that time on his tour. State Chamber of Commerce President, Henry C. Coleman, will preside.

Mr. Hoover is scheduled to arrive by air in West Palm Beach, Jan.

11, and will head a motorcade from Palm Beach to Clewiston, Jan. 12. Palm Beach Police Chief, Homer [unclear] will be grand marshal of this motorcade and also is heading the transportation committee to handle traffic problems in cooperation with the Florida State Highway Patrol under the direction of State Public Safety Director, H. N. Kirkman.

Since the speakers' platform is being constructed on top of the levee, a special platform is also being built for the use of television cameramen and newspaper photographers.

Because of his age, Mr. Hoover has made one request, that the entire dedication ceremony be limited to a maximum of 60 minutes. Scheduled to begin at 2 p. m., the program will, therefore, be completed by 3 p. m. on Jan. 12.

As the plaque points out, construction of these levees has boosted the economy of the entire State of Florida by many millions of dollars annually, as well as protecting life over a wide area.

This fact has recently been acknowledged by the State Cabinet.

MRS. VANN HAS PROGRAM

Mrs. James W. Vann presented the program, "They Cannot Go Home for Christmas," at the December meeting of the Miriam Circle, Pahokee Methodist WSCS, instead of her husband, as was erroneously reported in last week's issue of The Everglades News. The entire group participated in the filling of the Christmas stockings.

Here's what the new $3\frac{3}{4}\%$ interest rate on U.S. Savings Bonds means to you:

\$3 = \$4 *fourteen months faster than before*

The Bonds you own are better than ever, too

The new $3\frac{3}{4}\%$ rate means your savings grow faster than before with U.S. Savings Bonds. \$3 becomes \$4, or \$3,000 becomes \$4,000 in just seven years, nine months. This applies to all Series E Bonds bought since June 1, 1959.

Then, all older Bonds, both Series E and H, pay more now—an extra $\frac{1}{2}\%$ from June 1 on, when held to maturity.

And, all Series E Bonds carry a new 10-year extension privilege. This means your Bonds will keep earning liberal interest automatically after maturity.

These three new cash benefits make today's U.S. Savings Bonds the finest in history. They make the ones you own now better, too.

More advantages of U.S. Savings Bonds

You can save automatically. Just tell your company how much to deduct every payday for Bonds, and your Bonds will be delivered to you. This way you can't forget to save. And, remem-

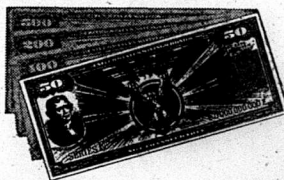

ber, the money you don't touch can't slip through your fingers.

You can get your money, with interest, when you need it. Your Bonds are a ready reserve to use anytime you wish. But, it pays well to hold them.

Your savings can't be lost or stolen. The U.S. Government guarantees to replace your Bonds, free, if anything ever happens to them.

You save more than money. The Bonds you buy help keep the peace because peace costs money. Money for better education, new scientific research, greater military strength. And the money you save helps strengthen our nation's economy which depends on the financial strength of individuals to keep it sound.

Start saving with U.S. Savings Bonds today. You'll save more than money.

Smallest Palm Beach County Park Is Named For Commission Chairman Paul Rardin

RARDIN PARK
NAMED IN HONOR OF
COUNTY COMMISSIONER PAUL RARDIN
BY HIS FELLOW BOARD MEMBERS
APPROVED BY VOTE
OF THE BOARD
JANUARY 3, 1961
PAID WITH PAID TO PAID LARSEN
AND AND PAID LARSEN AND J. J. J.
JANUARY 3, 1961

(A story from The Miami Herald) Ask anybody where Paul Rardin Park is and, chances are he'll quickly tell you it's "someplace in the Everglades."

That's because the County Commissioner lives out thataway and folks just naturally figure a park in a commissioner's honor would be in his area. It isn't.

Paul Rardin Park, the smallest public park in Palm Beach County as near as the experts can tell is in

the 900 block of Evernia St. in West Palm Beach.

But if you go to see it, look fast.

The park, complete with Florida banyan tree for shade, hedges and grass for beauty, and benches for comfort, measures just 30 by 40 feet, or 1,200 square feet.

It sits in the middle of the parking lot pavement, a touch of green in the asphalt jungle of modern civilization.

County Commissioner Lake Ly-

tal explained how it came to be "Paul Rardin Park."

"When we gave the land to the Flood Control District for their headquarters, Rardin reserved a section with the tree on it."

"It was decided we should have a patio around the tree, with benches and hedges."

"But you have to designate an area like that," Lytal added, "so when it came time to designate it, we decided to call it Paul Rardin Park."

That's what they called it, and

that's what the plaque says it is:

"Paul Rardin Park, named in honor of County Commissioner Paul Rardin by his fellow board members."

The park, which "serves" employees of both the Flood Control District office and the county office building on Datura St., was dedicated on Sept. 17, 1956.

Cub Scouts Present Holiday Program

Skits relating to the holiday season were presented by the five dens of Pahokee Cub Scout Pack 623 at the monthly meeting held in the school auditorium. Awards for Scout skills achieved during the month, in the form of arrows, pins or badges, were received by Omar Adams, Douglas Woofter, Kenny Wetherington, Bruce Andrews, George Magrill, Rodney Pennington and Richard Batchelor.

CHARLES LAIRSEY IS NOW HIGHLANDS DEPUTY CLERK

Mr. and Mrs. Charles Lairsey have moved from West Palm Beach where he was connected with the G. C. Murphy Company to Sebring where he has been appointed deputy clerk to Circuit Clerk Earl Rich of Highlands County. Mr. Lairsey is the son of Mr. and Mrs. Millard Lairsey of Canal Point.

Funeral Services For Kenneth L. Lutz

Funeral services were held Wednesday for Kenneth L. Lutz, 54, of Belle Glade, who died Sunday night in a West Palm Beach hospital. He had operated a drug and sundry store in Belle Glade for many years. Burial was in Foreverglades Mausoleum at Belle Glade.

PATTERSON CIRCLE MEETING

Mrs. J. L. McCall will be hostess to members of the Ione Patterson Circle, Canal Point Baptist Woman's Missionary Society, at the January meeting at her home Monday at 3 p. m. The mission program will be presented by Mrs. J. J. Walker.

Americans will commemorate the 100th anniversary of the War Between the States in 1961 and the American Automobile Assn. has produced a map pointing out sites of important battles to visit during the celebration.

Pick your savings target and shoot straight for it!

A home . . . financial security . . . a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is systems. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you before you have a chance to spend it. Your money will go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 8 months)—they're soon worth much more than you've invested in them. And your Bonds will continue to pay that extra good interest as long as 19 years and 8 months. That means a return of up to 80% more than you originally paid.

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$7.50 a week for 5 years, you'll have Savings Bonds worth \$208 in cash; in 10 years, \$446.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

For the big things in your life, be ready with U. S. Savings Bonds

Christian Science Group Of Canal Point

Importance of understanding the spiritual meaning of the Eucharist and of truly commemorating the life of Christ Jesus will be emphasized at the semi-annual communion services at Christian Science churches this Sunday. Highlighting the Lesson-Sermon entitled "Sacrament" is the Golden Text from I Corinthians 5(8): "Let us keep the feast not with old leaven, neither with the leaven of malice and wickedness; but with the unleavened bread of sincerity and truth."

Selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following: "The baptism of Spirit, washing the body of all the impurities of flesh, signifies that the pure in heart see God and are approaching spiritual life and its demonstration" (241: 27).

Also included in the Lesson-Sermon is this passage: "The cup of blessing which we bless, it is not the communion of the blood of Christ? The bread which we break, is it not the communion of the body of Christ?" (I Corinthians 10:16).

Mrs. Nason Named Children's Secretary

Mrs. Richard Nason was named new secretary of children's work at the January meeting of the Pahokee Methodist Woman's Society of Christian Service held at the church Tuesday night with Mrs. Ernest Maxwell, president, presiding. She succeeds Mrs. Fred Higgins who resigned.

It was reported Mrs. Arch Blakey will teach the first part of the mission study book, "Faith in Bondage", on Friday at 3 p. m., the study of the book to continue through January with classroom sessions every Friday. Mrs. Ralph Johnson reported on the WSCS spiritual life retreat which she and Mrs. Maxwell attended at Palm Beach Shores.

The program, "Recalling Our Heritages—Expanding Our Horizons" was presented by Mrs. C. A. Major, assisted by Mrs. W. L. Brown, Jr., and Mrs. Blakey. The monthly attendance pin was won by the Margery Lair Circle.

College Students Present Program

College students home on vacation presented the annual "Student Recognition" program at the Pahokee First Methodist Church.

Judy Cunningham (Palm Beach Junior College) was program leader. Talks on "The Mission of the Church in the Academic Community" were given by David Watkins (University of Mississippi) and David Simonson (Florida Southern College). William Plummer Jr. (Asheville School for Boys) read the Scripture and Kenneth McIntosh (Florida State University) led in the litany of prayer and intercession. Special music for the program was presented by the Vesper Choir under the direction of Mrs. Lester Hutton.

Miss Mary Ellen Sims has returned from a visit with relatives and friends at Statesboro, Ga.

Canal Point WSCS To Attend Joint Meeting

Members of the Canal Point Woman's Society of Christian Service at the January meeting voted to attend, as a body, the World Day of Prayer service which will be presented in Pahokee High School auditorium, Feb. 17. This service is sponsored annually by the PHS Senior Class.

Plans were made for a pantry shower for the Rev. and Mrs. Robert Shelley, Mrs. Donald Kepp to be in charge of collecting the items and making the presentation. A donation of a set of dishes by Mr. and Mrs. Frank Rosenberg, Jr. for use in the new parsonage was acknowledged. Mrs. Boyd Vorhees reported on the student recognition service given at the church by college students home on vacation.

The worship program was presented by Mrs. Vorhees. She was assisted by Mrs. Elmer Maxson, Mrs. William Underhill, Mrs. Brooks Henderson, Mrs. Frank Wilson, Mrs. W. E. Blackwell, Mrs. Pope Sears, Mrs. James Miller, Mrs. Shelley and Mrs. Kepp, who presented a playlet relating to the theme, "Recalling Our Heritage—Expanding Our Horizons." Refreshments were served by Mrs. W. E. McCall and Mrs. Wilson, hostesses.

New Member BPWC Received Tuesday

Mrs. Delores Hines was received as a new member of the Pahokee Business and Professional Woman's Club at a business meeting at the home of Mrs. Allie Okie Tuesday night.

The group discussed plans for operating the food concessions at the Indiantown Rodeo, Feb. 11-12. President Mildred Lavender announced a BPW district meeting will be held at Riviera Beach, Jan. 15. It was announced the club will hold a social meeting at the home of Mrs. Doris Carter at Port Mayaca, Jan. 17.

Keith Aldridge and Johnny Cook Vandegrift returned this week to their studies a Boies Military Academy, Jacksonville, after spending the holidays with their parents in Pahokee.

PREM CATE VISITS

Mrs. Gertrude Wilson had as New Year's holiday guest her brother, P. M. (Prem) Cate, Jr., former Pahokee resident now living in Leesburg. While here, Mr. Cate, accompanied by his daughter, Mrs. Wayne Burdeshaw and Mrs. Wilson, attended the wedding of another daughter, Miss Corneia Dowd (Chee Chee) Cate, and James Richard Smith at the Grace Episcopal Church, West Palm Beach, at 11 a. m., Jan. 1, and the luncheon that followed the wedding at the home of the bride's mother, Mrs. R. F. Chamberlain, at 5621 Hobart Ave. The bride is a former Pahokee resident.

Victory Class Has New Set Officers

New officers of the Victory Class of the First Methodist Church School were installed at the January business meeting held in the educational building with Mrs. C. A. Major presiding in the absence of the new president, Mrs. Claud Morgan. The retiring officers received gifts, with Mrs. Calvin Spooner making the presentation on behalf of the class. Mrs. Spooner reported the \$400 contributed by members to the sunshine fund during the year had been distributed among various mission projects, such as the Methodist Children's Home, the Church building fund and gifts to needy families, shut-ins, those who were ill and the bereaved.

WHITES OPEN HOUSE

Mrs. Violet White, superintendent of nurses at the Everglades Memorial Hospital, and her brother, Jack Jackson, entertained with open house at their new mobile home on Canal Point Road Sunday. Refreshments were served by the hosts to the many friends who called during the afternoon and evening.

Traffic Bureau Is Paying Its Way

Palm Beach County merchants, business men and residents were saved a \$150,000 annual increase in transportation expenses this year through the victory of the Palm Beach County Freight Traffic Bureau in two recent motor carrier freight rate actions.

James W. Lee, director of the local freight traffic bureau, reported that he had received notices from two motor carrier freight rate-making agencies disapproving rate proposals to add a surcharge of \$1.00 per shipment on all shipments of less than 1,000 pounds.

Both surcharges have been vigorously opposed by the local bureau through letters of objection and personal appearances at the hearings of the General Rate Committees of the carrier agencies.

Lee said that Southern Motor Carriers Rate Conference docket 0000018 was the "most onerous" of the two proposals because it would have applied the full \$1.00 surcharge on all the affected shipments from the eastern seaboard points to this area. The other proposals, Central and Southern Motor Freight Tariff Association docket 13341, was not as "burdensome". Lee said because it would have been published in place of the present surcharge which amounts to approximately 79 cents per cwt.

"The traffic bureau is categorically opposed to the surcharge method of rate-making," Lee said, "and takes firm and aggressive action whenever surcharges are proposed as a method of increasing freight rates and whenever the attempts are made to raise the minimum charge." He explained that over 80 per cent of the interstate truck shipments entering Palm Beach County weigh 1,000 pounds or less.

"The surcharge method of rate-making," Lee said, "directly effects the pocketbook of almost every person who pays a freight bill in

Palm Beach County."

"We have told the carriers on many occasions that we do not believe it is a just, reasonable or fair method of assessing freight charges and we feel that previous decisions of the Interstate Commerce Commission make this method of rate-making unlawful," Lee said.

The director who is vice-president of the National Small Shippers Traffic Conference for the Central and Southern regions of the United States, said that the Conference is seriously considering a united effort of all shipper organizations to attack the surcharge principle on a national basis by filing a formal complaint with the Interstate Commerce Commission.

New Deputies Are Named In Glades

Martin Kellenberger, Palm Beach county's new Republican sheriff, has named new deputies in the area west of 20 Mile Bend. They are: Ray Whitlock and Hilton Bonard in the Belle Glade area and Frank Rozelle and Lee Wroten in the Pahokee area.

SAFETY MEETING

The January meeting of the Everglades Farm Safety Committee will be held in the auditorium of the Glades Office Building at 7:30 p. m., Thursday, January 12th. A. M. Patis, of the Agricultural Extension Service, Gainesville, Florida and George A. Cappe, of the Florida Farm Bureau, Gainesville, Florida will be present and discuss the progress of the program.

SPIRITUAL GUIDANCE

The Rev. Charles D. Stewart will speak on "Spiritual Guidance in Our Schools" at the January meeting of the Canal Point Parent-Teacher Association Monday at 8 p. m. Mrs. Joe Cherry, Jr., president, will preside at the business.

Power Company To Reduce Its Rates

The Florida Railroad and Public Utilities Commission recently approved revised electric rate schedules for Florida Power and Light Company pursuant to the Commission's order December 19 calling for an annual reduction totaling approximately \$6,254,000.

The new rates are effective on January 1.

Under Commission's order, the large city rate is being extended throughout the company's territory and in the Glades area this will mean a reduction of a little better than 6 percent for the average residential user who passes a \$10 monthly bill.

Reduction to small commercial users served under the company's general service rate will average 5 percent overall.

Large commercial and industrial customers as well as others served under standard rates with fuel clause will benefit from the change in the fuel clause which will result in savings ranging up to 3 percent or better. Included in the revised schedule of rates is a 20 percent discount on bills to churches and synagogues.

BOARD MEETING

J. L. Tyson, Jr., chairman of the official board of the Pahokee First Methodist Church, will preside at a board meeting Thursday at 7:45. Other meetings scheduled for this week at the church are Methodist Men's cabinet meeting, Wednesday, 7 p. m.; Commission on membership and evangelism, Wednesday, 8:30 p. m.; and Commission on stewardship and finance, Tuesday, 7:45 p. m.

Robert Mureny of Austria, an accomplished snow skier, recently won the veteran men's slalom event of the All American Water Ski Tournament held at Cypress Gardens.

Hurricane Of 1928 Described In Book

Fresh off the press, a copy of the book "Okeechobee Hurricane and the Hoover Dike" is to be presented to ex-president Herbert Hoover at the dedication of the lake shore levee at Clewiston on January 12th. This book, written by Lawrence E. Will, Belle Glade authority on Everglades history, and a survivor of the hurricane of 1928, depicts the effects of the storm with vivid accounts of the experiences of survivors.

Also described are the post-storm mopping operations, including the collecting, transporting and finally the burning of the bodies of the 2000 people who perished. It outlines the events which led to the decision to build the present dike, and explains how President Hoover influenced this decision and speeded the construction. A description of the dike and hurricane gates and their dramatic testing, is recounted.

Illustrated with a map and some 35 photographs showing storm damage and construction of the Hoover Dike, and dedicated to Herbert Hoover, this book is probably the most complete and accurate account yet written of the hurricane which caused the third largest loss of life of any peacetime disaster in the history of the U. S.

John M. Hammer, new chairman of the Florida Turnpike Authority, says he is pleased with what his new board has found operating at the Authority offices and plans no immediate changes in operation.

CIRCLE DATES SET

The January meetings of the four circles of the Pahokee Baptist WMU will be held at homes of members Tuesday. The Betty Mills Circle will meet at the home of Mrs. W. O. Moss, 9:30 a. m.; the Lottie Moon Circle, at the home of Mrs. Adeline Wroten, 3 p. m.; the Grace Jernigan Circle, at the home of Mrs. H. C. Graham, 8 p. m.; and the Faye Taylor Circle, at the home of Mrs. Milton Douglas, 8 p. m.

TEMPERANCE TALK

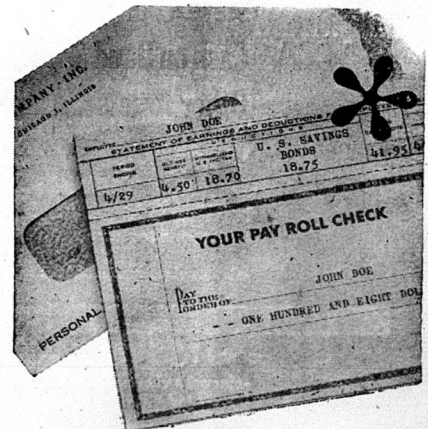

A talk on "Temperance" will be given by Jack Eppes of Lakeland, executive secretary of United Christian Action, at the January meeting of the Pahokee Parent-Teacher Association in the high school auditorium Monday at 8 p. m. Mr. Eppes will also address the Pahokee High School student-body in assembly at 8:30 Monday morning.

BACK TO LOUISIANA

The Rev. and Mrs. Alfred Meeks and children have returned to their home in Louisiana after a holiday visit here with her parents, Mr. and Mrs. S. F. Lowery, and his parents, Mr. and Mrs. J. D. Meeks. While here the Rev. Meeks preached the sermon at the morning service of the Canal Point Baptist Church on New Year's Day.

E. H. Finlayson, Jefferson County seed grower and president of the Florida Farm Bureau, has been re-elected to the board of directors of the American Farm Bureau Federation.
